Hertz has 'em!

*New 1957 Chevrolets
to rent...right now!*

That's the Hertz idea! The amount of cars and the time of service stays the same as renting a brand new 1957 Chevrolet. Chevrolet is still the crowd with power steering. It runs like other cars, even to men. Just like your dad's former car, proper identification and you're off! And! The national average rate for a new Chevy is over \$1000 a day plus \$1000 a week. The includes all gas, oil, and proper insurance. There are no hidden or phantom fees, a week or longer. Please see your sales person. Good profit! They will thank. More than \$1000 a day in new 1957 Chev. Look over "H" in phone books everywhere! Book Now & Save. 100 Park, Toledo, Chicago & Miami.
